

29 January 2026

Dear Parents/Guardians,

Re: Primary 2 Holistic Development Profile (HDP) for 2026

With the removal of all weighted assessments for P1 and P2, we are using subject-specific learning outcomes (LOs) and qualitative descriptors to monitor and report students' learning progress in each subject. Please refer to the table attached for list of LOs for 2026.

We will provide formative and holistic feedback, to both students and parents, focusing on the students' growth and development. Our teachers will be using a variety of teaching and assessment approaches such as classroom observations, group work and homework to monitor students' learning. At the end of each semester, the teachers will report on the subject-specific learning outcomes and provide qualitative descriptors for each child.

We look forward to your partnership in providing a meaningful learning experience for your child. Should you require further clarification, please contact your child's/ward's form teachers.

Thank you

Regards,

Mdm Fauziah
Head for Assessment

PRIMARY 2 LEARNING OUTCOMES (LOs) FOR SEMESTER 1 2026
