Dear Parents / Guardians,

Re: Primary 4 School-Based Assessments for Semester 2 2023

The schedule for Semester 2 of the Weighted Assessments (WA) and End of Year Examination (EYE) is attached. The WAs vary for each subject and consist of written work, journals, projects, SLS tasks and/or quizzes. It is important that students put aside time daily to revise the lessons taught and complete their homework on time. This will allow the teachers to give them feedback regarding their progress in a more timely manner. Please note that there is no make-up for all WAs and EYE should students be absent. Do refer to page 11 of the Student's Diary for more details on our Assessment Policy for Absenteeism.

We look forward to your partnership in providing a meaningful learning experience for your child. Should you require further clarification, please contact your child's/ward's form/subject teachers.

Thank you.

Yours sincerely,

Mr. Michel Saw
Principal
