Dear Parents / Guardians,

**Primary 5 Semester 2 School-Based Assessments (SBA) 2022**

Thank you for supporting us in your child's/ward's learning and assessment in Semester 1. Our Primary 5 students will be sitting for Weighted Assessment (WA)3 in Term 3 and Semestral Assessment (SA)2 examination in Term 4. As previously shared, the weightings for the different assessments throughout the year are shown in the table below.

	<b>Weighting</b>
<b>Term 1 WA1</b>	15%
<b>Term 2 WA2</b>	15%
<b>Term 3 WA3</b>	10%
<b>Term 4 SA2</b>	60%
<b>Total for the year</b>	100%

We would like to bring your attention to the following points with regard to our SBA:

1. The reporting and dismissal time for school are as usual during the assessment period. Latecomers may not be allowed to sit for the assessment.
2. Guidelines for the conduct of school-based oral examination will be aligned to that of the national oral examination. This will enable teachers to better assess the students' oral language competence. Oral examiners and candidates will be allowed to remove their face masks at the oral exam (for reading aloud/oral presentation and oral interaction) with mitigation measures in place. They should put on their face masks at other times, including the silent preparation period.
3. Students who are unwell are advised to seek medical care and not take the assessment.
4. Students who are absent from the assessment must produce a medical certificate (MC). (Only MCs issued by registered doctors are accepted.)
5. MCs should be submitted to the Form Teacher as soon as the student returns to school.
6. There will be no make-up for all assessment papers.

The schedule, format and scope for Primary 5 WA3 and SA2 are attached. A soft copy of the assessment schedule is placed in our website, under Empowering Curriculum, Assessment Plans.

For any queries, please contact the Form Teacher.

Yours sincerely,

Mr. Michel Saw  
Principal
