Dear Parents / Guardians,

Primary 5 School-Based Assessments 2022

We have removed Semestral Assessment One (SA1) for P5 since 2021. Instead, we will be conducting bite-sized Weighted Assessments (WAs) in Terms 1, 2 and 3. These would inform us on how best to support your child's/ward's learning and help him/her to progress.

Please note the following:

1. The reporting and dismissal time for school is as usual during the assessment period. Latecomers may not be allowed to sit for the assessment.
2. Students who are unwell are advised to seek medical care and not take the assessment.
3. Students who are absent from the assessment must produce a medical certificate (MC). (Only MCs issued by registered doctors are accepted.)
4. MCs should be submitted to the Form Teacher as soon as the student returns to school.
5. There will be no make-up for all assessment papers.

The schedule, format and scope for Primary 5 WAs are attached. A soft copy of the assessment schedule is placed in our website, under Empowering Curriculum, Assessment Plans.

Details in terms of paper format and topics to be tested for Semestral Assessment Two (SA2) will be given later in the year.

For any queries, please contact the Form Teacher.

Thank you.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Michel Saw".

Mr. Michel Saw
