

20 January 2025

Dear Parents/Guardians,

**Re: Primary 6 School-Based Assessment for Term 1 2025**

The removal of Mid-Year Examinations has allowed students to have more opportunities to strengthen their 21<sup>st</sup> century competencies (21CC) while reducing the overemphasis on examinations and grades. We have seen a positive impact over the course of time where students shared that they had more time to learn, explore and participate in engaging learning experiences.

To monitor students' learning, our teachers will be using a variety of teaching and assessment approaches such as classroom observations, individual work, homework and Non-Weighted Assessments (NWAs). It is important that students put aside time daily to revise the lessons taught and complete their homework on time. This will allow teachers to give them feedback on their learning progress in a timely manner.

The assessment weightings for the P6 NWAs in Terms 1, 2, and Preliminary Examination (Prelim) in Term 3 are shown in the table below. Do note that there is no weighting for NWA1 and NWA2.

| Level | Term 1 | Term 2 | Term 3        | Term 4 |
|-------|--------|--------|---------------|--------|
| P6    | NWA1   | NWA2   | 100% (Prelim) | PSLE   |

The details of the NWA1 for Primary 6 students are attached in [Annex A](#). We will send you the details of NWA2 and Preliminary Examination schedule in term 2 and semester 2 respectively. Do refer to page 20 of the Student Diary for more information if students are absent from school on the day of assessment.

We look forward to your partnership in providing a meaningful learning experience for your child. Should you require further clarification, please contact your child's/ward's form/subject teachers.

Thank you

Regards,

Mdm Fauziah  
HOD Science
